Giving the 2nd Person Access on a Buddy Registration

All Devices:

Click the Menu Button, then Click “Subscriptions”

Look for the **current season's** “Buddy Registration” and click the “Manage Members” button.

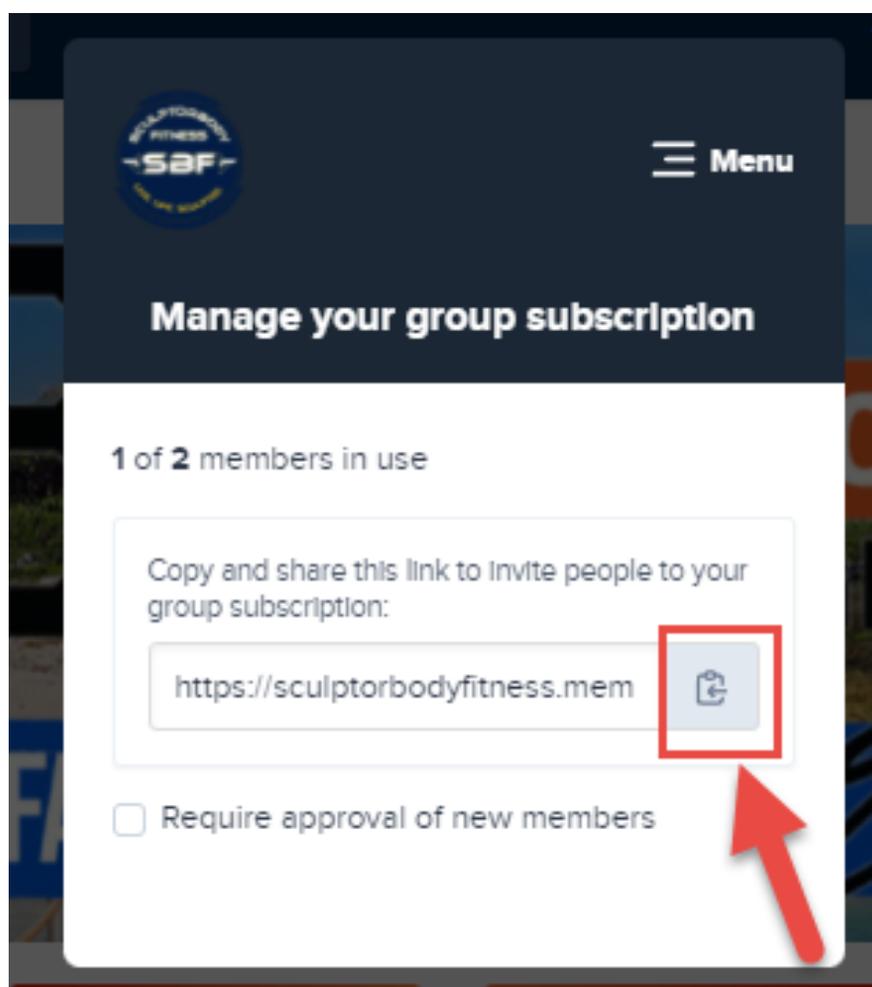

NOTE: If you have done the buddy registration on previous seasons, make sure that you are clicking on the CURRENT SEASON's “Manage Members”.

Copy & Paste this link to send it via email or private message to your “buddy” that is doing the challenge with you. When they click on it they will be able to enter their own email and pick their password to login with. If they already have an account, they will also have the option of logging in.

DO NOT click the “Require approval of new members” checkbox, or they will not be able to get in until you approve them.

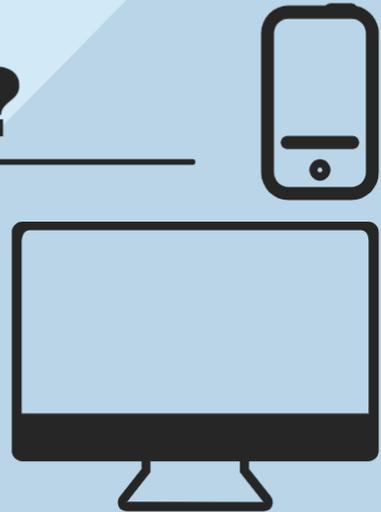

IMPORTANT: We would suggest collecting the money from your buddy FIRST and to keep this link private – it can only be used once!
